## Made in India - for YOU

Incorporated in the year 1987, Veer Sanitary Appliances Pvt. Ltd. is committed to **Quality & Authenticity** in manufacturing high performance stainless steel Floor Drain Covers under the brand - CHILLY.

Team Chilly has made its mission, to educate on much needed importance to floor drain covers in our living spaces.

In 1993, Veer Sanitary Appliances pioneered the revolutionary product - CHILLY COCKROACH TRAP, popularly known as Chilly Trap / CCT. Henceforth, graduating to manufacture entire floor drain cover range and accessories in AISI 304 (18/8) stainless steel.

With 30+ years of expertise in floor drain cover manufacturing industry, CHILLY is committed to launch innovative products. Chilly offers a broad selection of industry standard options to help ensure that customer needs are met. Driven by client's requirement, Chilly specializes in custom requirement fabrication.

Chilly fabricates a complete line of commercial, industrial, residential and custom floor drain covers using only stainless steel grade AISI 304 (18/8). This quality of stainless steel is used extensively by industries that require quality, corrosion-resistant floor drain covers making it ideal for all kind of living spaces - healthcare, food industry, hospitality, FMCG, residential, et al.

As a market leader, CHILLY Floor Drain Covers are the first choice of Architects, Builders, Engineers, Contractors, Designers, Plumbing Experts, MEP Engineers, Consultants across varied industry domains.

## Know Your CCT

The four part floor drain cover popularly known as Chilly Trap is effective in stopping cockroaches and other insects which normally enter living area from the drains not fitted with the CCT.

The CCT stops cockroaches etc. with the water lock mechanism working on the fact that cockroaches etc. are unable to cross water. The water level always present in between the inner and outer filters stops them.

The filters also stop solid waste from going down the drain thereby removing production of foul smell as well as the choking of drains.

No Choking of Drain

No Foul smell

## Give CCT edge to your drains for health and hygiene forever

One Time Investment

Eco Friendly  
Green product reduces harmful insecticide  
usage to great extent

Reduces water footprint

Contributes to healthy drain pipe system

1 Product 2 Way Functionality  
1. Blocks cockroach and insect entry from the drain  
2. Prevents solid waste going down drain

Water Lock Mechanism  
Prevents bad odour formation

Durability  
Made of AISI 304 (18/8) stainless steel

No Recurring Expenses  
On insecticides or power

Permanent Solution

## 5 Simple Steps to CCT Installation

Place CCT frame  
and fix with cementation

Place outer filter  
into frame so that it hangs  
in the drain

Place inner filter into  
the outer filter

Place jali (grating) on top

CCT is ready with its water lock  
between outer and inner filters  
to stop cockroaches, choking  
and smelling

# CHILLY On Demand Floor Drain Covers

HSN Code: 7326 90 30

Making in India with **AISI 304** stainless steel only...

**Customise**  
For Your Requirement

Chilly On-Demand Drain Covers

Designed for unique applications.

We'll be glad to hear from you.

Fabrication Features:

- \* AISI 304 (18/8) Stainless Steel
- \* AISI 316 Stainless Steel (Marine Grade)
- \* Created as per Desired Specifications

Options:

- \* Grate
- \* Grate + Frame
- \* Grate + Frame + Sediment Basket  
Mainly used in food processing units.  
Sediment basket has two way functionality:
  - a. Prevents solid waste flowing into the drain
  - b. Prevents insects entering from the drain
- \* Grate + Frame + Drainage Channel  
(for durable and non-chipped drainage channel)
- \* Running length: Frame + Grate
